## 'Clean-Up Week' is delayed

Antioch's annual village clean-up week will be delayed until further notice.

This was announced Monday night by trustee Vern Barnstable, who explained that there is an urgent priority of emergency maintenance work which must be completed by the public works department before the onset of

## Rotary Club auction is Saturday

Antioch's Rotary Club has always been instrumental in providing partial or full funds for a number of community activities.

It sponsors a youth exchange student program. It has bought microfilm for the library and has contributed to Viking football as well as to the Hiram Bultrick sawmill project.

It also has helped sponsor the "Meals on Wheels" program for senior citizens.

Most of the Rotary's money for such projects comes from its annual Bar-B-Que dinner and auction.

THIS YEAR THE BIG event will be held on Saturday at the Auction Center on North Avenue. Wilder Fay will be brought in again from Waterman, Ill., to prepare his well-noted speciality - barbecue pork chops.

Food will be served between 6 p.m. and 9 p.m.

THE AUCTION will begin around 7:30 p.m. Rotary members will bring auction items; but if any others have something they would like to donate, they are welcome to contact a Rotary member, president Homer White said.

Proceeds from the auction will be used for local projects.

Music and dancing will be part of the evening's

## Village to study special request for liquor license

Antioch's village trustees Monday night voted to re-direct Herman Behm's request for a one-day-a-week liquor license to committee for further discussion.

This occurred at Monday night's village board meeting after the trustees listened to Mr. Behm speak on behalf of his request.

Mr. Behm maintained that he felt that dances for Antioch's "older crowd" would be much appreciated by those members of the community.

THE DANCES WOULD be held at the Auction Center and would serve alcohol on the tables. There would be no open bar.

Mr. Behm claimed that his intention was to offer all of the proceeds from the dances to Antioch's Rescue Squad.

Last week, in committee session, the trustees decided to deny Mr. Behm's request, seemingly concerned over the fact that a special one-day-a-week type of liquor license would have to be formulated.

UPON HEARING Mr. Behm speak this week, however, they decided to direct the request back to the license committee session for reconsideration.

Mayor Michael J. Haley then directed the village attorney, Andrew Lynch, to investigate the legal ramifications of this type of liquor license.

When a man gets too old to set a bad example, he starts giving good advice.

DISPLAY BIKE-A-THON PRIZES - Three new bicycles to be awarded to top riders in the Antioch Bike-A-Thon on Sunday, Oct. 1, for the American Cancer Society, were shown at the village hall. Standing, left to right: Michael J. Haley, mayor; Ken Nelson, The Shoe Box; Chuck Miller, chief of police for the village; Sue Koppa, coordinator of parks and recreation; Timothy Cook, top Bike-A-Thon rider in 1977 with a total of \$725.25; Tod Maplethorpe, chief of the Antioch fire department; Fran Ano, Four Squires of Antioch; Wally Jaszkowski, representing the Antioch Jaycees and assistant cashier of the State Bank of Antioch; and Preston J. Reckers, Antioch Township Bike-A-Thon chairman and vice president of the State Bank. The bicycles were donated by the State Bank, The Shoe Box and Four Squires, to be won by Bike-A-Thon participants who earn the most money for the Cancer Society through pledges for each mile they ride. Along with adults and children of all ages, Mayor Haley will be planning to seek his own sponsor pledges and ride in the Bike-A-Thon, which will begin at the fire station at 9 a.m. Entry blanks are available in area schools, at the village hall, State Bank of Antioch, The Shoe Box, Four Squires and McDonald's.

## Fire Department accepts 4 men

Four new regular members and two new probationary members have been appointed to Antioch's Fire Department.

After successfully completing a 200-hour fire-fighting and training course, Gary Larson, Ken Mazzuca, Ed Moore and Mike Horton were accepted as regular members of the department.

Donald Francisco and Ronald Allen are the new probationary members, as they pursue the required fire-fighting and training course.

The new members were formally welcomed to the department by Mayor Michael J. Haley at Monday night's village board meeting.

IN OTHER ACTION at the board meeting, village trustees voted to write a letter of support to Chaplaincy Services Inc., Waukegan.

The letter would help the Chain-of-Lakes Senior Citizens apply for a grant for the replacement of three mini-buses used in their transportation program.

The word "wedlock," comes from the old English words "wed," meaning a pledge, and "lac," meaning a promise.

## Along the way with ANNIE MAE

I'm ready... Annie Mae is ready. The Chamber of Commerce will hold its "first annual" Miss Antioch Pageant in the spring of 1979.

Our local winner (could it be me?) will continue on to state competition for the title of Miss Illinois and, (who knows?) on to Miss America!

Chairman of the event will be (who else?) Brad Ipsen.

RUSSELL (CASEY) OLSON, son of Stewart and Donna, has been admitted to the bar in the state of Wisconsin and is running for state senator from the district that includes the area from Burlington to Janesville.

Casey's uncle, Russ, is running for lieutenant governor in Wisconsin. Russ has long been a state representative and formerly was in business with his brothers, Jim and "Stew," in the Olson Implement Co.

The Drom Family held its annual reunion on Sunday, Sept. 10 at the Trevor Social Center.

Sixty-six people enjoyed the day. There were seven children and three spouses of the Jacob Drom family; 17 grandchildren; 22 great grandchildren and 13 great-great-grandchildren. Also, three cousins and one visitor, whom the family has known for over 60 years. They came from Missouri, Wisconsin and Illinois.

BILL GEORGESON of Antioch's World Famous Village Pub made the Chicago Sun-Times Sunday in a story titled: "He wants football's Cosell to get the boot."

Columnist Bob Herguth wrote:

"Let's ban Howard Cosell from Chicago." So says William Georgeson, who runs the Village Pub in suburban Antioch. Georgeson is collecting signatures on petitions to make sportscaster Cosell a permanent exile. "He's always coming in and bum-rapping the city and saying nasty things about the Bears," explains Georgeson. The first 24 hours, some 300 people signed at Georgeson's tavern

## Letter

### Letter to the Editor:

You know something? People are very odd! Twenty-five years I've lived here. All those years I've heard them complain about transportation being very poor here.

You know what? Now that there is transportation, they won't use it because they want it to come right to their door!

I worked for the treasury dept. in Chicago for twelve years. Every morning I walked four blocks and every evening the same, five days a week to get to the elevated.

Wake up people of Antioch! Get out and walk a bit. It won't hurt you.

## THE BEAVER

### Master architect of the animal world

By LINDA BARNES

The American beaver is frequently referred to as master builder of the animal kingdom.

And, in examining the beaver's intelligence and skills, it is not difficult to understand why.

The beaver's construction of dams, canals and lodges are cleverly conceived and sturdily and intricately constructed.

Armed with his own type of innate ingenuity, sharp teeth and flexible forefeet (which actually function as

hands) the beaver diligently works throughout the summer and fall seasons to construct its home.

THE DAM SYSTEM is elaborate and highly functional. It is built to impede the flow of rivers and streams and to construct artificial lakes upon which the beaver can build its dwellings.

The beaver floats tree trunks and branches into place and manipulates them for construction of the dam. He then weighs down the wood foundation with heavy stones.

Beavers appear to have an understanding of the forces of stress and strain, for they have been known to bow a dam to resist pressure from strong water currents.

ONCE THE FOUNDATION of the dam is firmly in place, smaller pieces of wood are interlaced and mortared together with clay and dead leaves.

Outlets are built for the disposal of overflow water. Canals are built to float timber.

The beaver's lodges are built on the side of a lake or swamp area or on a small island.

THE BEAVER FAMILY spends its entire winter in the lodge. The beavers will store a large stock of wood in the lodge for food. There they will rest, secure, warm, safe and comfortable until the ice begins to melt and spring makes itself felt.

Trees, therefore, not only serve as the major source of materials for the beaver's housing, but also as one main source of food. Beavers will eat tree bark and shoots as well as other types of green plants.

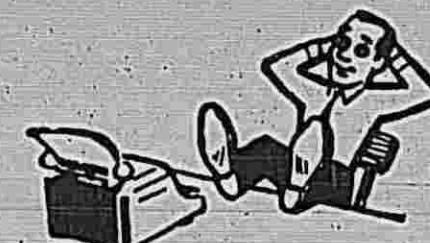

Beavers are excellent swimmers and have bodies which are perfectly adapted to a life in the water. The hindfeet are webbed and the tail is broad and flat and serves as a paddle for locomotion in the water.

The tail is also used to beat the ground or surface of the water, possibly as a means of signalling to others.

BEAVERS CONTINUALLY work from the onset of summer until winter freezes the waters over.

As an example of just how much work a beaver can do, research at the Canadian National Parks found that in 15 months, two adult beavers cut down 266 trees, built three 50-foot dams across a river. Constructed a lodge of 1,000

Another neat bumper sticker is the one that asks:

## All about town ...

By LINDA WALKER

It's football time again ... time to register for the Punt, Pass & Kick competition at Lyons-Ryan Ford now through Sept. 29. The competition is open to both boys and girls, ages 8 through 13.

Registration is very simple. Have your parent or guardian take you to Lyons-Ryan on Route 173 and sign up with either Gary Klean or Kevin Lyons.

While you're there, be sure to pick up a free Punt, Pass & Kick tips book. It could improve your game this season.

The date of the competition has not been determined yet, but will be announced soon.

WITH FOOTBALL in the air ... can winter be far behind? As much as you hate to think about it, this is the time to have your heavier clothing cleaned, tune-up the car and winterize your home.

Many stores are featuring specials for such services. Be an early bird ... prepare for the winter now before it gets any closer.

THE AROMA of those fantastic barbecue pork chops will be flowing from the Auction Center on North Avenue this Saturday. That's right, the Antioch Rotary Club will hold its annual Country "Bar-B-Que" dinner and auction.

If those mouth-watering, huge pork chops smothered in sauce do not tempt you, the auction and dance following are sure to lure you in. Tickets are on sale at the village's three financial institutions.

The Rotary Club members, with all their antics, promise a great time for us. Try not to miss it.

ANTIOCH AUTO PARTS' new building on Route 173 is beginning to take shape.

It will be awhile before any of us recognize it as a parts store, but if Mike Sexton keeps his fingers crossed and construction keeps going it won't be long.

IF YOU LOVE to take pictures and would like to try developing them, E.J.'s Camera is happy to announce the completion of "the dark room." It is located in their store behind 896 Main Street and has the accommodations to handle either black and white or color prints.

Ed and Joe Bakshi are quite proud of the new enlarger, and I must agree it is amazing (in fact we should have one so precise in our office).

The facility is open to both young and old at very reasonable rates.

## 4 students rank high in national test

Four seniors at Antioch High School have been named "commended students" in the 24th annual (1979) National Merit Scholarship Program. The honor recognizes each student's outstanding performance on a national qualifying test which was administered to high school juniors in October of 1977.

Kevin Anderson, Jenny Beese, Mark Fisher and Beth Ott will receive letters of commendation.

Antioch police apprehended an 18-year-old youth, Bradford Kleban, last Wednesday for possession of "a controlled substance."

Police stopped Kleban for making an improper turn. They discovered he had no vehicle registration.

## 70 YEARS AGO: SEPTEMBER 17, 1908

Steps to cause an annulment of a marriage may develop this week as the result of the admission of a Grayslake young miss, 15 years of age, that she is a married woman. The young girl was sent to McHenry by her mother, her plan being to start school the following week. There she was introduced to Haas and it is said they believed themselves to be each others natural affinity, and the marriage plans began to mature at once, with the result that they came to the Libertyville fair on Friday, then hurried to Waukegan and Hass procured the marriage license. In other words, they met on Tuesday, fell in love at first sight and married on Friday. The girl's relatives are figuring on starting the annulment proceedings as they don't favor the match, particular because of the girl's youth and they are wroth and heartbroken. The bride now feels she made a mistake and it is said she may not oppose any steps toward an annulment.

Wednesday, Sept. 9, Elias Cobb was four score and four years old. It was the most eventful birthday in all his life, for then and there he was presented with the sweetest gift that world alone can give to man, a charming bride. The woman in the case is Mrs. Mary Allen who has passed her sixty-eighth milestone. She is a lady of kindly disposition, and Christian character. She for years lived at Grass Lake where she conducted the post office until the rural route done away with the office at that place. Mr. and Mrs. Cobb were serenaded by the Sioux Creek boys but Eli had taken his bride and flown.

The shade of Dowie was expected to turn flip flops Sunday last and it was also anticipated that Voliva's comments would tear the roof off the tabernacle and spread devastation for miles around. The reason for all this commotion was that for the first time in the eight years of its checkered history Zion City had a real Methodist church meeting within its limits.

There will be a Lake County Anti-Saloon rally at the court house in Waukegan, Sept. 17 at 7:30.

Strayed into my pasture on Sept. 10, a two year old bull. Owner can have same by proving property, paying for the keeping and this notice. W.S. Rinear, Antioch.

## 40 YEARS AGO: SEPTEMBER 22, 1938

A new fall wave of hog cholera has led to warnings to Illinois farmers to take special precautions to protect their stock.

The Antioch Woman's Club will open its eighteenth year on Monday, Oct. 3, with a one o'clock luncheon meeting in Mrs. Pacini's tea room.

Mr. and Mrs. Simon returned Saturday from their wedding trip and are nicely settled in the Fred Hamlin flat.

Albert Barnstable, who has been on a week's vacation from his duties at the William's Department store, returned to his work there yesterday.

Mrs. Howard Gaston and daughters and Mrs. Einar Peterson and daughters spent Wednesday afternoon in Burlington.

Girls of the Antioch High School are elated this week over the announcement that they have been successful in engaging the services of Mary McCormick, grand opera singer, who has promised to appear in a concert here sometime during Oct.

## 20 YEARS AGO: SEPTEMBER 18, 1958

Wilbur Turner of Channel Lake started last week as dog warden with duties to cover all of Lake County outside the incorporated areas.

Ever wonder what your own voice sounds like on the telephone? Residents of Antioch soon will have a chance to find out. Illinois Bell is holding "Telephone Community Night" in Antioch next week, and a recording machine called the "voice mirror" will be one of the displays.

Village Clerk Clarence Shultz and Mrs. Shultz will leave Sunday on a two-week vacation which will take them north to the straits of Mackinac. Treasurer Mrs. Martha Hunter will be in charge of the clerks office in the meantime.

Varsity cheerleaders at Antioch Township High School this year are: Judy Maleck, head cheerleader; Elaine Christensen, Sharon Dittman, Jill Gaston, Charlene Keulman and Lynn Vessenmeyer. Junior-varsity cheerleaders are: Victoria Kopach, Lori Pederson, Judy Vejvoda, Jill Anderson, June Dressel and Jan Duha.

## 10 YEARS AGO: SEPTEMBER 19, 1968

The Reverend Alfred J. Henderson, pastor of St. Peter's Church of Antioch, will celebrate his 40th anniversary as a Roman Catholic priest on Sept. 22.

The annual Rescue Squad golf outing was a huge success, with prizes too numerous to mention. Dan Kasik won the portable TV and Rose Sharrer won the Pickard dishes. One of the best looking couples was Dr. and Mrs. Abderholden.

## The importance of living

By LINDA BARNES

Living is an art.

It is, undoubtedly, the most important art we will ever cultivate.

It is a complicated art, when one considers all of the varied facets of life ... the art of cooking, the art of painting, the art of thinking, writing, dressing, conversing, loving, reading, writing, praying and so on.

EACH OF THESE urgent aspects of life require practice, concentration and the eventual acquisition of a finesse agreeable to our own individual senses.

Yet, paradoxically, living is an extremely simple art. For in spite of the complex, overly-specialized world we have created, the fact remains that true living requires a return to simplicity.

Lin Yutang, in his delightful, profound and very humorous book, the "Importance of Living," very eloquently points this out.

"I do not think that any civilization can be called complete until it has progressed from sophistication to unsophistication, and made a conscious return to simplicity of thinking and living, and I call no man wise until he has made the progress from wisdom of knowledge to the wisdom of foolishness, and become a laughing philosopher, feeling first life's tragedy and then life's comedy. For we must weep before we can laugh. Out of the sadness comes the laughter of the philosopher, with kindness of tolerance to boot."

MR. YUTANG SPEAKS to us of the importance of simplicity, leisure, reasonableness, nature and humour in

our lives.

The place of the humourist in life cannot be over-emphasized. With his intelligence, reasonableness, lightness of touch and gaiety of spirit, the humourist approaches a mastery of ideas and an ensuing simplicity and depth of thought.

He helps us to sift through trends and ways of thinking, to put things in perspective. He offers alternative ways of looking at things, ultimately exposing truth in a raw and unfiltered state.

BUT THIS IS not done heavily or condescendingly. It is done with a flavour of "Let's look at life together."

Let us learn to laugh at ourselves and our situations. Let us not take ourselves or life too seriously. At the same time, let us learn from our follies and foolishness.

Through humour, then, we can learn to alter thought and experience.

As expressed by Mr. Yutang, "I doubt whether the importance of humour has been fully appreciated, or the possibility of its use in changing the quality and character of our entire cultural life - the place of humour in politics, humour in scholarship, and humor in life. Because its function is chemical, rather than physical, it alters the basic texture of our thought and experience."

MR. YUTANG INVITES us to join in the "feast of life." He challenges us to see beauty in the small, simple and commonplace in life. He prompts us to develop a sense of artistry about life.

"The feast of life, is, therefore, before us, and the only question is what appetite we have for it." -- Lin Yutang.

## Bike Safety program presented

A bicycle safety program entitled "Don't Be A Blob" demonstrated safe and unsafe riding habits to students at Faith Lutheran School.

The program was conducted by John Scott, regional coordinator of public relations for the

Country Companies, in cooperation with the Country Companies insurance agency in Lake County.

A BLOB is a colorful, humorous cartoon character used to illustrate bad bicycle riding habits that can lead to accidents and

injuries. A hero, Reddy Ryder, represents the bicycle riders who follow safe practices.

All those attending the program received a bicycle safety booklet as well as a Reddy Ryder badge. The book, designed especially for children, also contains

# Antioch's recreation program offers 'something for everyone'

From volleyball to basketball to bowling, from macrame to puppetry to candlemaking, the Antioch Parks and Recreation department has something to offer for everyone this fall and winter.

The department's new program provides variety, scope and tries to extend itself to as many age and interest groups as possible.

IT INCLUDES SPORTS, exercise, arts, crafts, movies and special holiday activities. It has programs for certain age groups and programs designed for all ages.

It has a schedule which is well-coordinated with other school and organizational activities (such as Boy Scouts and Girl Scouts) so that programs do not interfere with one another.

NEW THIS YEAR, under the direction of Cathy Tanner, recreation supervisor, are the Saturday morning workshops. They arose partially from complaints regarding evening programs for children.

The department responded to provide daytime, weekend activities for children and also as an incentive to bring parents into town on weekends.

Some of the Saturday morning workshops for all ages to be held in the fire station basement, include:

Sept. 23 - Magic Show with Tom Hubbard from 10 a.m. to noon; admission \$1.

SEPT. 30 - LEATHER craft session to make small coin purses, 12 noon to 1 p.m.; fee is \$2.

Oct. 7 - Two movies and a lunch from McDonalds from 11 a.m. to 12:15 p.m.; admission \$1.50.

Oct. 14 - Macrame session to make macrame jewelry, 12 noon to 2 p.m.; fee \$2.

Oct. 21 - Puppetry with Pat Parker from 10 a.m. to noon; admission \$1.50.

Oct. 28 - Clown workshop with Pat Parker from noon to 2 p.m.; admission \$1.

WEEKDAY PROGRAMS include: Camp Crayola Pre-School - ages three to five; class I until Oct. 19 on Tuesdays and Thursdays; class II from Oct. 24 to Dec. 5, Scouthouse; fee is \$20. Waiting list only. Call 395-2160.

Needlepoint - ages 14 and up; meets on Tuesdays from 3:30 to 5 p.m. at the village hall from Oct. 3 to Nov. 21. Fee is \$10 and supplies are not included. Enrollment limited to 10 persons.

WOMAN'S VOLLEYBALL - ages 16 and up; meets from 7:30 to 9 p.m. on Tuesdays from Oct. 3 to Dec. 13 at Upper Grade School. Fee is \$4.

Women's exercise - ages 16 and up; meets from 7:30 to 8:45 p.m. Tuesdays from Oct. 3 to Dec. 13 at Upper Grade School. The fee is \$3.

Indoor soccer - to start in January for ages seven to 14.

Men's basketball - ages 16 and up; meets from 7 to 9 p.m. on Tuesdays from Oct. 3 to Dec. 13 at Oakland School. Fee is \$5.

Outdoor volleyball - for fourth through eighth graders; meets from 3 to 4:30 p.m. on Mondays until Oct. 16 at the Antioch Aqua Center. Fee is \$2.50.

AFTER-SCHOOL bowling - for kindergarten through fourth graders; meets from 3:30 to 5 p.m. at Antioch Lanes; class I is on Wednesdays until Nov. 1 and class II is on Wednesdays from Nov. 8 to Dec. 3; fee is \$9 to the bowling lanes and \$3 to the village of Antioch.

Square dancing - for information call 312-244-2116.

ALL PROGRAMS under the Park and Recreation department require advance registration at the village hall.

For the future, considerations are being made for a children's theatre (sometime in November), an ice-skating program and perhaps more sports tournaments.

THE DEPARTMENT ALSO sponsors special events. A Halloween party will be held at Oakland school on Oct. 31 at 7 p.m. Admission is 25 cents.

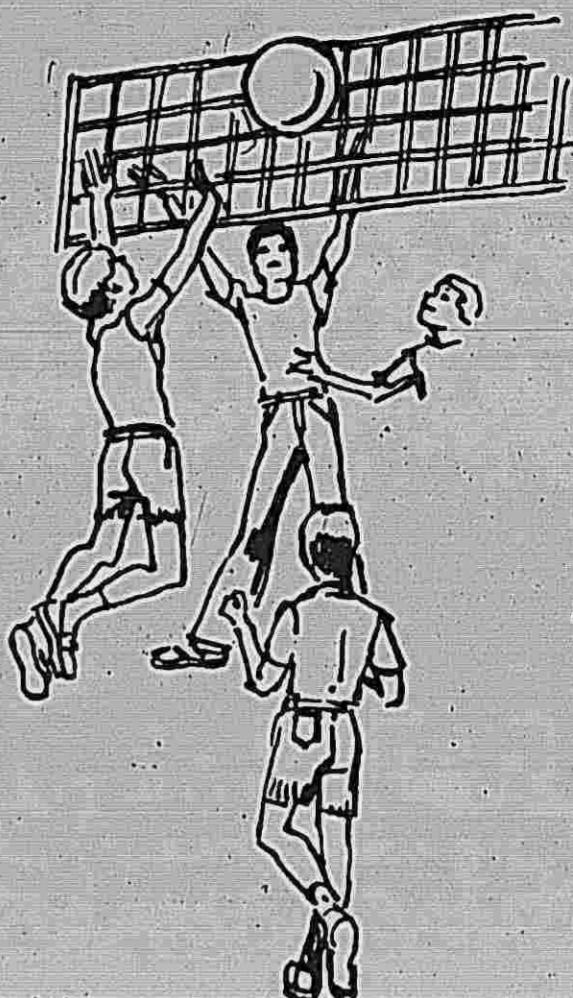

A Christmas tree-lighting ceremony is annually held as well as a Ladies' Day shopping trip to Long Grove and Woodfield Mall.

Further information regarding these events will be announced at a later date.

MRS. SUSAN KOPPA, parks and recreation coordinator, says of particular popularity are the pre-school program and after-school bowling. Children's Introduction to Art has already been completely filled.

Adult programs are doing very well, especially the women's exercise and volleyball. Registration for men's basketball is increasing.

One problem the department encounters are appropriate programs for teen-agers. Some community members

feel that a team center should be built for young adults.

According to Mrs. Koppa, this possibility has been investigated a number of times during the past few years. She said it is clear that adequate staff and facilities are presently not available.

PROGRAMS FOR TEENS are being improvised and encouraged. Frequently, however, the response is poor. One reason for this may be that often teen-agers become very involved with other school activities.

"We're always open for suggestions," said Mrs. Koppa, who asks citizens to make comments and suggestions to the parks and recreation office at 874 Main St.

"Our program is far from being the best," she said, "but we always strive to make it the best possible. We try to find out what other people like and put ourselves in the frame of mind of the individual. We try and find something for everybody."

## Next PM&L show begins on Oct. 7

PM&L's new season - Season 18, believe it or not - begins in October with "Play It again, Sam." Performances of this play are scheduled for Fridays and Saturdays, Oct. 7, 13, 14, 20 and 21. All of these presentations will be at the PM&L Theater, 877 Main Street in Antioch. Curtain time will be 8:30 p.m.

"Play It again, Sam" is a comedy by Woody Allen, a secret admirer - aren't we all? - of Humphrey Bogart. The play is in part a spoof of "Casablanca."

In the PM&L production, D.R. Martin Domeracki plays Allan and Frank Greenwood is Bogey. Others in the cast are Bob Quinn, Pam "Nursie" Guardi, Bev Palmburg,

Jan Burdick, Tracy T. Kiederlen, Dee Baum and Nancy Balmes. The play is directed by Don Beveroth.

Not many community theater organizations live to be 18 years old. PM&L is bigger and better than ever and offers theatergoers an exciting and varied group of plays during the season now beginning. "Play It again, Sam" will be followed by "Androcles and the Lion," "Something's Afoot," "I Remember Mama," and "Picnic".

Season tickets will admit you to all five of the plays for only \$12.50 if you obtain it soon.

Reservations for "Play It again, Sam," can be made by calling 395-3055. Curtain time is 8:30.

## Astro-Analysis

By Sonia

**ARIES** [March 21-April 19] - A good week to promote new concepts; aim for personal success. Be aware of the importance your personality and general appearance in relation to others.

**TAURUS** [April 20-May 20] - Let good sound judgment dominate love affairs. Be willing to deal with a certain amount of restrictiveness now; plan a week so there's time for confidential matters.

**GEMINI** [May 21-June 21] - Mental energy is now increased; you may want to spend time with those who meet your intellectual standards. Closest friends prove more reliable than ever.

**CANCER** [June 22-July 21] - A good trend for developing a more responsible position. Aim for good relations with superiors. Increased popularity puts you more in the public's eye now.

**LEO** [July 22-August 21] - A favorable time for travels, making vacation arrangements. New interests and thoughts may turn toward philosophical and scientific subjects.

**VIRGO** [August 22-September 22] - Mixed influences can cause some confusion as to the exact course you should follow. Proceed with sensible caution; overconfidence could bring unpopularity with others.

**LIBRA** [September 23-October 22] - You can improve public relations in business and competitive matters. Deal in a cooperative fashion with associates; diplomacy pays handsome dividends.

**SCORPIO** [October 23-November 21] - Conserve mental and physical energy; use good common sense to avoid excesses. A week when more time should be devoted toward developing a better health schedule.

**SAGITTARIUS** [November 22-December 21] - More interest in the opposite sex is indicated, also gain through new associations. New opportunities concerning places of amusements, recreation may arise.

**CAPRICORN** [December 21-January 20] - Try to consult a knowledgeable person before investing in property or real estate. Domestic affairs can be greatly improved.

**AQUARIUS** [January 21-February 19] - Success can be attained through short travels, communicating creative ideas to others. Work on developing new skills related to writing, public work.

**PISCES** [February 20-March 20] - Earning power is increased but a tendency toward extravagance prevails also. New employment ideas prove beneficial; strive for career advancement.

# Gorski excels in championship flight

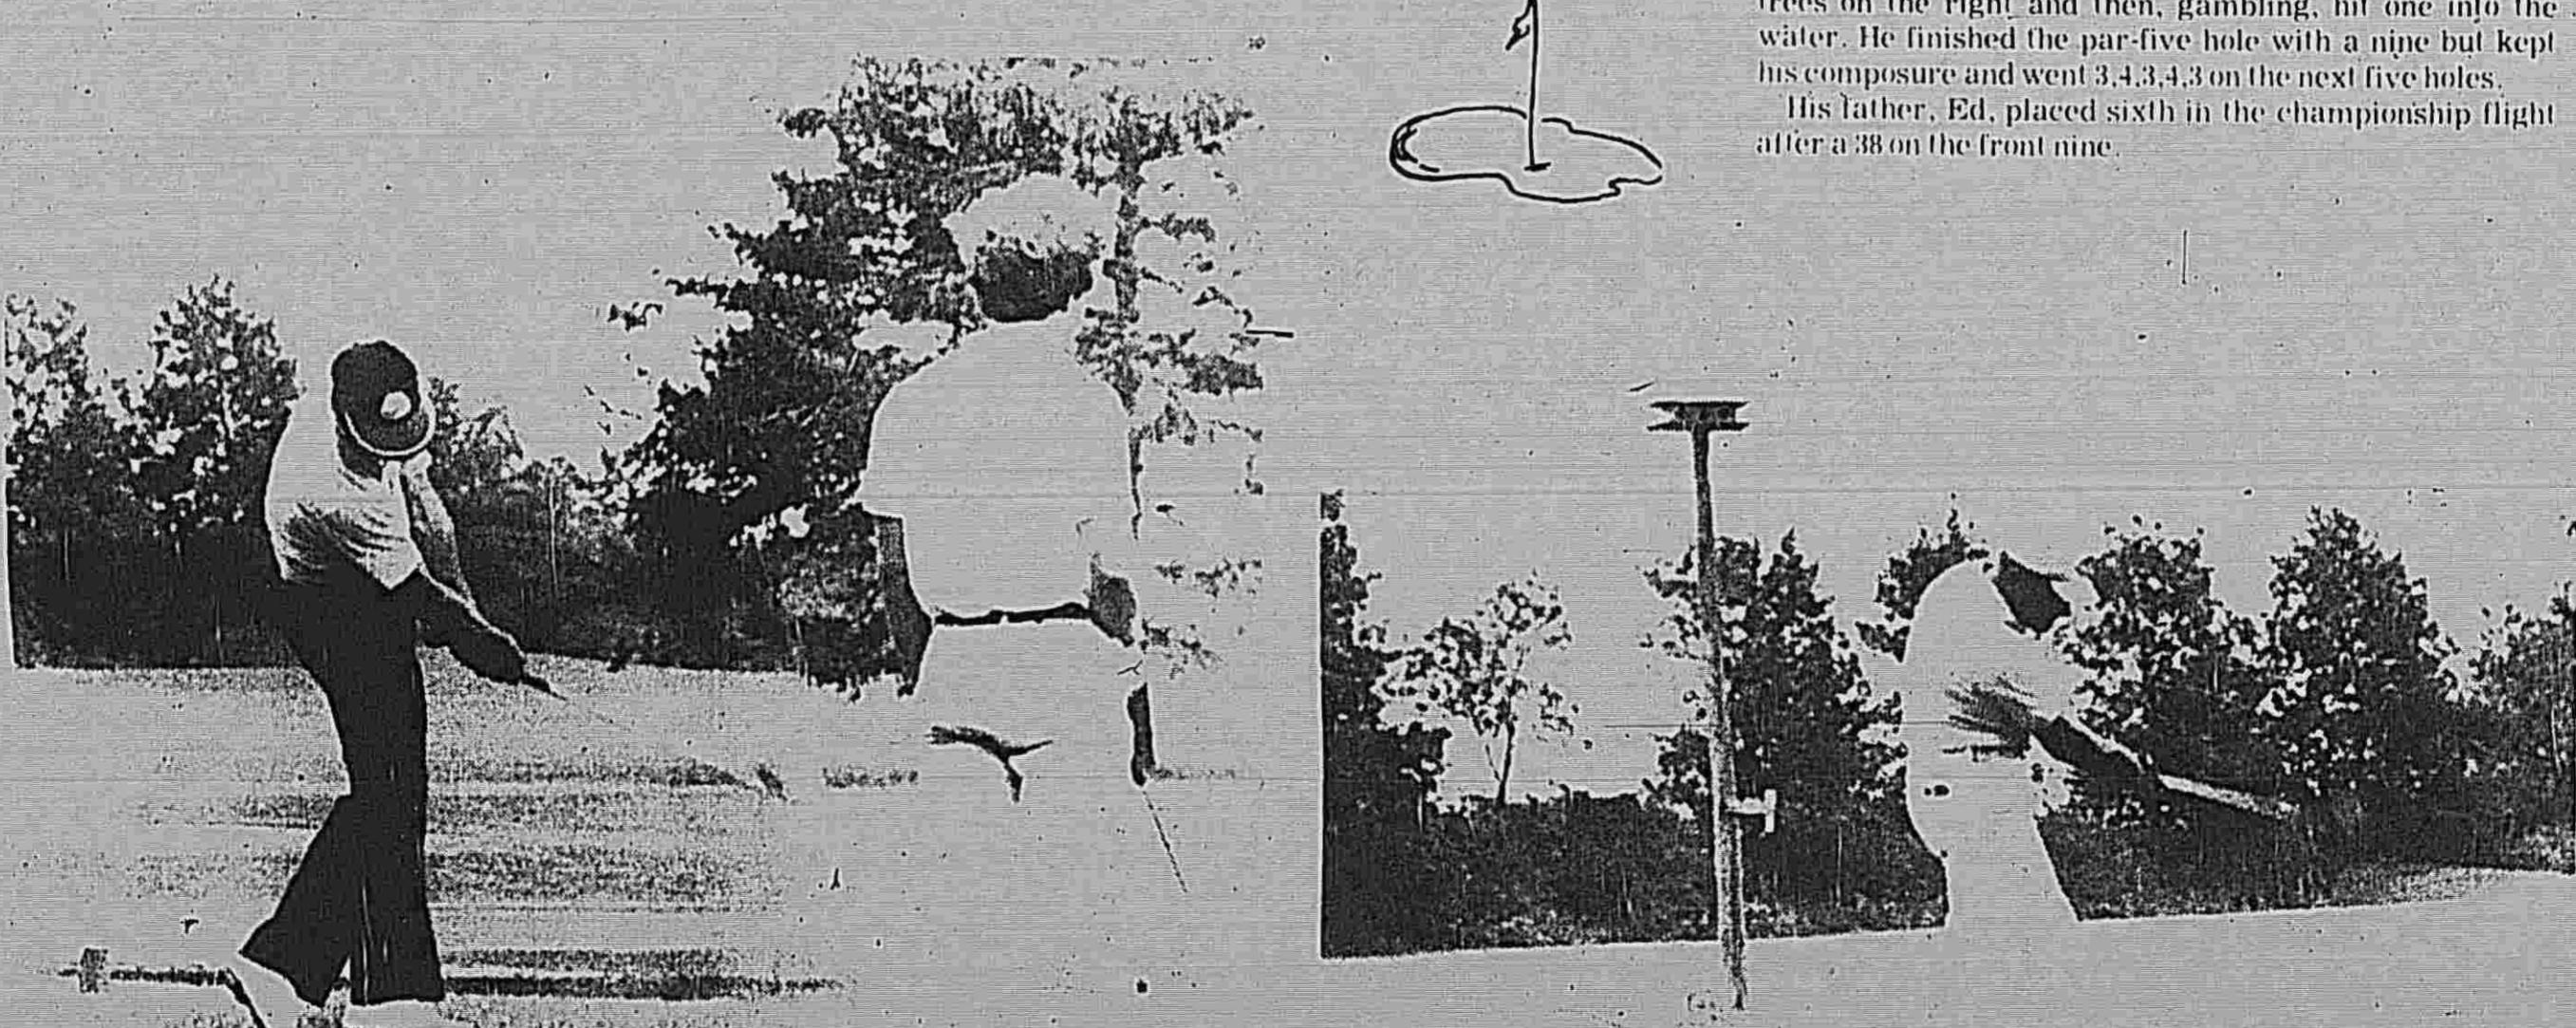

THREE YOUNG GOLFERS from Lake Villa played a close tournament for 31 holes until Del Gorski (center) pulled away on the

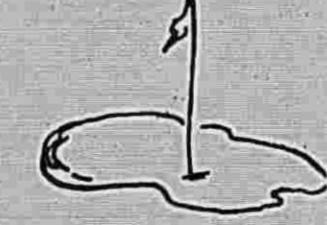

32nd and went on to win the championship flight of the Antioch Open. Bob Sertic (left) placed third and Gary Shastal second.

THE TOP THREE in Class B were (from left) Mitch Lasco, champion Bob Knourek and Chuck Cermak.

THE EFFORTLESS LOOKING swing of Gary Shastal moved the ball more than 250 yards off the tee during the Antioch Open at Spring Valley Country Club. Shastal placed second in the championship flight behind Del Gorski (right).

CLASS A CHAMPION Fred Popp hits a "frozen rope" off the 10th tee in the final round of the Antioch Open.

The Antioch area's best young golf prospect, Del Gorski, added another title to his collection Sunday when he won the championship flight of the third annual Antioch Open.

The 18-year-old Lake Villa amateur played a water-soaked Spring Valley Country Club in 74 strokes. Added to his even-par 70 of the previous Sunday, it gave Gorski the first place trophy with a total of 144.

Gary Shastal, 22, who teaches at his father's Pro Circle driving range, was second at 150 and Bob Sertic, 17-year-old Antioch High School player, was third at 151.

ALL THREE ARE from Lake Villa. They entered the final round after shooting 70 (for Gorski) and 71 (for Shastal and Sertic) in the opening round on Sept. 10.

After heavy thundershowers earlier in the morning, the course was extremely wet for the Sept. 17 final round. But none of the three leaders blamed that for shooting higher on their second time around.

Gorski and Sertic had 41 on the front nine and Shastal had 42, so it was still extremely close. The scores after 27 holes were Gorski 111, Sertic 112 and Shastal 113.

Gorski said the 41 was the worst nine holes he has played since last spring. Shastal said he had been ill most of the previous week and was hoping the final round would be delayed by rain.

Gorski said, "I was cold and wasn't swinging or concentrating quite as well as I should have been."

GORSKI STILL LED by only two strokes after 13 holes, but the turning point came on the par-four, 260 yard 14th. Gorski drove just short of the green, wedged to within six feet and stroked in the putt for a birdie.

Shastal had a 20-footer for a birdie but knocked it six feet past the hole. Then he missed that one for a bogey and fell four strokes behind. Sertic, who had bogied 10 and 11, was four behind at that point.

Gorski added a little frosting to his cake on the 190-yard 17th when he hit an easy 5-iron to the green and made a six-foot birdie putt.

BUT THE NEW champion said his best shot came on the tough, 435-yard 15th hole. He drove into the right rough and, with 200 yards remaining, sliced a high 5-wood over and around the trees. The ball landed on the edge of the green, 25 feet from the hole, and Gorski two-putted for a par.

Gorski is starring for the College of Lake County golf team this fall. Next spring he will return to the state tournament trail before resuming his college golf career which, hopefully, will lead to a career as a professional. He was fifth in the star-studded Illinois amateur championship in August.

THE THREE TOP finishers, Gorski, Shastal and Sertic, are young men with excellent golf swings and possibly good futures as professionals.

Fourth in the championship flight was Tom McDonald, a young assistant professional who has worked under Nick Marucci at Harbor Ridge Country Club.

Fifth was David Behne, 16-year-old Antioch High School star. He had a remarkable 39 on Spring Valley's tough front nine Sunday.

On the monstrous fourth hole Behne tangled with the trees on the right and then, gambling, hit one into the water. He finished the par-five hole with a nine but kept his composure and went 3,4,3,4,3 on the next five holes.

His father, Ed, placed sixth in the championship flight after a 38 on the front nine.

# Popp, Knourek make it the Lake Villa Open

Maybe we should have called it the Lake Villa Open.

Not only did three Lake Villa golfers, Del Gorski, Gary Shastal and Bob Sertie, place one-two-three in the championship flight ... but Lake Villa golfers Fred Popp and Bob Knourek cleaned up in Class A and Class B respectively.

IT WAS THE THIRD annual Antioch Open championship at Spring Valley Country Club.

Popp, 49, a Lake County Board member, went into the final round of Class A with a five-stroke lead. He averaged about 80 or 81 this season and Class A is for golfers who normally play in the 80s. But in the opening round, Sept. 10, Popp fired a 73, the best round of his life.

He maintained his lead last Sunday, Sept. 10, by firing a 38 on the front nine and coasting home with a 41 for a 79. His 152 total was four strokes better than second-place Tim Haviland's 156.

Haviland, an Antioch High School golfer, had rounds of 78-78. Last year he won the Class B championship at Spring Valley with 87-83.

THIRD IN CLASS A this time was C.L. (Charlie) Anderson, who put together rounds of 80 and 82 for 162.

In the first Antioch Open, in 1976, Charlie won Class A with a total of 163. Last year he entered the championship flight and placed fifth with 161. So, in all six rounds of the

Antioch Open history, he has averaged 81. His scores have been 84, 79, 80, 81, 80, 82.

Fred Popp's 38 on the front nine - Spring Valley's toughest side, especially considering the wet conditions - was the best of the day, equalled only by championship flight players Ed Behne and Tom McDonald.

**KNOUREK WON CLASS B** the same way Popp won Class A ... by never folding under the pressure.

After an 85 in the first round, he had an 89 Sunday for 174. Knourek started with a three-stroke lead over Mitch Lasco, another member of the Antioch High School golf team.

Lasco closed the gap to two strokes on Sunday's second hole, but by the end of nine Knourek had opened up a five-stroke lead as he made the turn in 44.

Lasco finished par-par on the back nine for a 44 to place second at 178. Chuck Cermak, playing steadily, was third at 179. Cermak also was third in Class B last year.

Knourek, incidentally, was fourth last year as Haviland won and Jon Lasco, Mitch's brother, was second.

L.M. Woods, president of the First National Bank of Antioch, was fourth in Class B with a total of 181. He also was fourth two years ago with 181 when the first Antioch Open was played at what is now Harbor Ridge Country Club. Last year, at Spring Valley, "Woody" tied for sixth.

BACK FROM FLORIDA for a while, Charles Cermak Sr. (left) watched his son, Chuck, win another trophy in the Antioch Open.

## YMCA swim team offering clinic

The YMCA of Greater Lake County will again sponsor a swim team this winter season.

Any youth, ages 6 through 18 years, who is interested in joining the team, is invited to participate in a three-week clinic which will introduce techniques and methods of competitive swimming.

THE CLINIC is being held at the central "Y" pool, 204 North County St., Waukegan. It began this week and will be held Monday, Wednesday and Friday evenings.

For youths 10 years and under, the one-hour sessions start at 7 p.m. on Monday and Wednesday, and 5:30 p.m. on Friday.

For the older participants, the sessions begin at 8 p.m. Monday and Wednesday and 4:30 p.m. on Friday.

THE ONLY EQUIPMENT needed is a swim suit and towel, and a cap if you have long hair.

A \$5 clinic fee is charged for "Y" members and a \$10 fee for non-members. No advance registration is needed.

Marty and Roy Berry, and Rick Iverson, coaches of last season's team, will conduct the clinic. They will be assisted by several of the older team members who have swum competitively.

The word *Tycoon* comes from the Japanese title for ruler. The Japanese got it from a Chinese word meaning great sovereign.

# Sequoits suddenly look better

How can this be?

Woodstock won the football game, but Woodstock didn't go home happy. Antioch lost the football game, but came away very encouraged.

It happened because Woodstock's highly-rated Blue Streaks beat Antioch's Sequoits by only 20-7 here last Saturday. And the score was 7-7 until the visitors scored two last quarter touchdowns with the wind at their backs.

YES, THERE WERE PEOPLE who thought Woodstock would win this non-conference game by... well, maybe 30 points. But the Sequoits played what Coach Steve Wapon called "much improved football."

"We hope to keep improving at this rate," he said. "If we can, we should start to realize some success soon."

The sooner the better, and that would be Friday night when the Sequoits open their conference schedule at

Warren High school, whose Blue Devils are the league favorites.

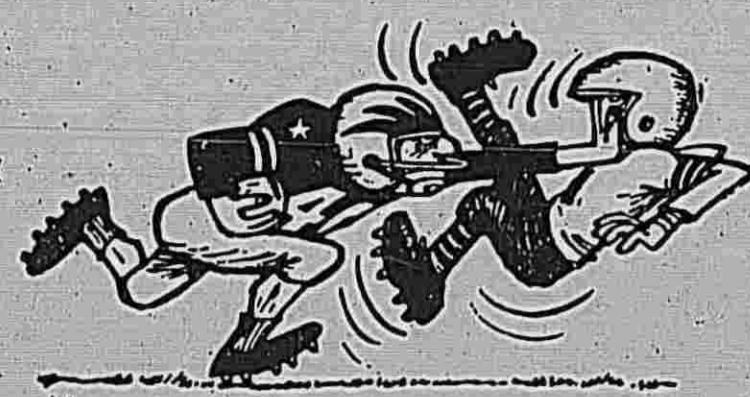

The varsity game will start at about 8 p.m., following a 6 o'clock sophomore contest.

WARREN IS TOUGH, but can be beaten. Crystal Lake Central did it last Friday, 20-17, in a non-conference game.

However, Warren flashed some brilliance - such as fullback Tom Schnur, who rushed for 200 yards. Crystal Lake triumphed mainly because three Warren mistakes led to three first-half Crystal Lake touchdowns.

Warren also lost its No. 1 quarterback, Mark Underwood, for the season with a knee injury. Todd Swenson, a junior, will take over and he appears to be a good passer.

SO THE QUESTION IS, will Antioch be sharp enough by

Friday night to give Warren a good game... maybe even spring an upset?

"The improvement we've shown already is due in a large part to Ted DeRousse and Rich Brown," Wapon said. DeRousse is Antioch's defensive coordinator and line coach while Brown coaches the pass receivers and defensive backs.

"Ted and Rich have been burning the midnight oil and working hard to make things happen in our football program," Wapon said.

AFTER WOODSTOCK TOOK a 7-0 lead last Saturday, when the game was eight minutes old, Antioch's "thrill of the day" arrived with 46 seconds left in the first quarter.

Denis Flaschner, 170-pound junior running back, took a pitchout, swept around end and dashed 63 yards for a touchdown. Dan Behne's extra point kick made it 7-7.

"There were several key blocks on Flaschner's run," Wapon said, but the highlight block was thrown by Scott Schroeder. It was a picture play, a beautiful block that really sprung Denis loose.

ANTIOCH GOT WITHIN 25 yards in the second quarter but a field goal try failed. Woodstock never crossed midfield in that period as Tom Webb twice punted out-of-bounds inside the Woodstock 15, keeping the visitors in the hole.

In the third quarter Antioch put together three first downs to reach the Woodstock 34, but the drive stalled and Webb punted out-of-bounds on the Woodstock 16. Then the Blue Streaks marched 84 yards in 12 plays for what proved to be the winning touchdown. It came early in the fourth period on a 17-yard run and Antioch trailed 14-7.

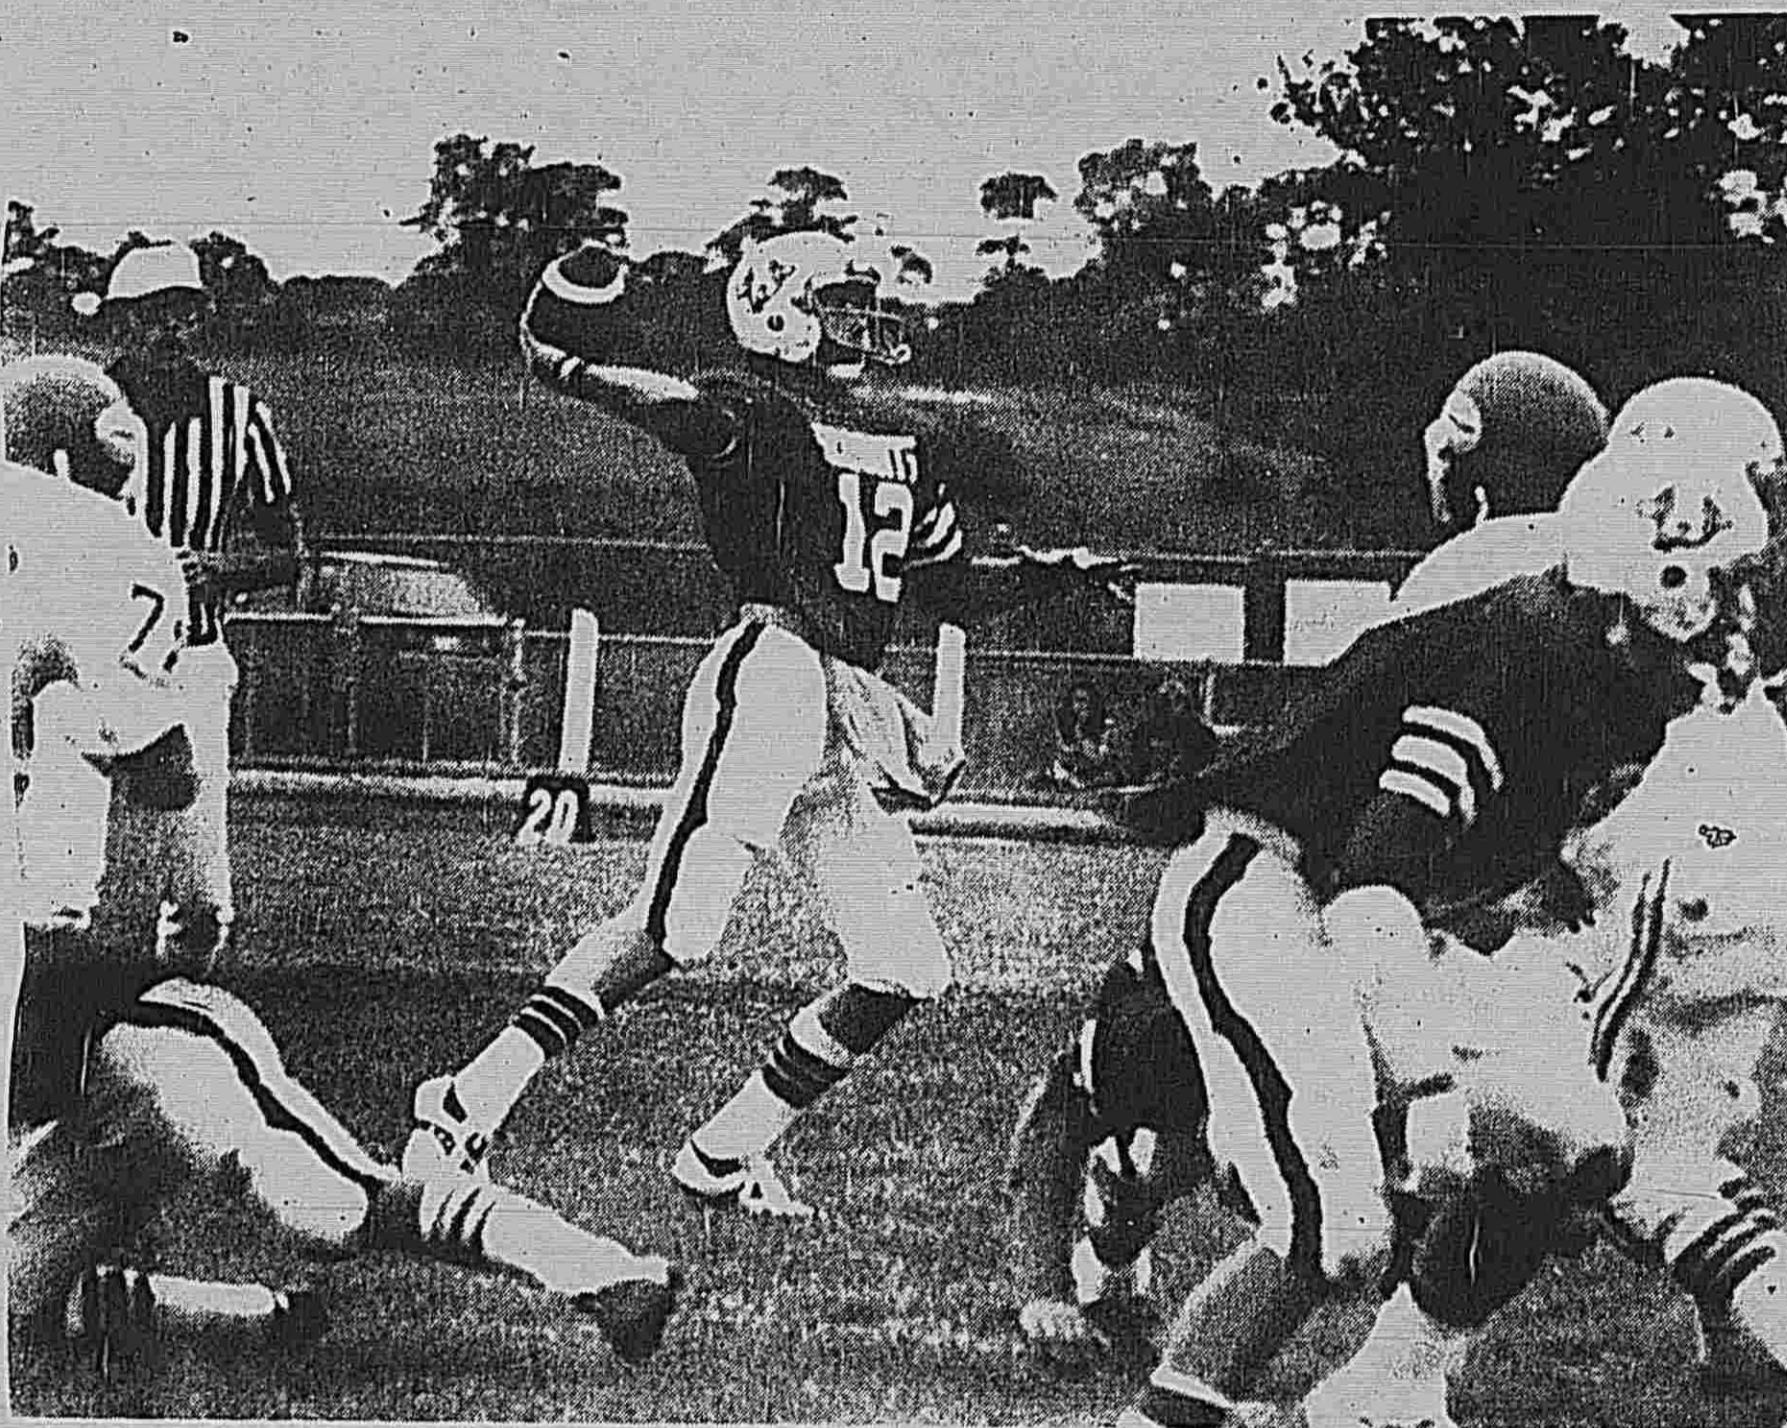

Later Woodstock scored again, making it 20-7.

FLASCHNER FINISHED the game with 89 yards rushing in 10 carries. Two of Antioch's good running backs, Gene Lehn and Greg Bodin, will be ready again by this Friday. Lehn was ill last week and played only part-time. Bodin is coming off a sprained ankle.

Quarterback Rob Nauman completed two passes last Saturday, one to Chris Oddsen and a 32-yarder to Jack Fields, who made a beautiful catch.

Lehn recovered a key fumble and defensive halfback Tom Ernstmeyer had four solo tackles and six assists.

"A good solid defensive game for Tom," said Coach Wapon.

QUARTERBACK ROB NAUMAN will be one of Antioch's weapons in the Sequoits' attempt to upset Warren this Friday night. Here, Nauman passes against Woodstock.

THE GIRLS BEHIND the boys - student managers and pom-pom girls, for example, were slightly crestfallen when Woodstock scored two touchdowns in the last quarter to beat Antioch 20-7 last Saturday. At left is student manager Sara Parker.

DOWN, BUT NOT OUT - Chris Oddsen suffered muscle cramps in his leg in the last quarter of the Woodstock game, but he was

okay after being helped off the field by trainer Norm Hahn (left) and Dr. Robert Barnes.

**TOUCHDOWN!** - Denis Flaschner sprints into the end zone after a 63 yard run against Woodstock. The Sequoits played their highly-ranked opponent to a 7-7 tie for three quarters before losing 20-7.

## Football contest has 6 experts

The Antioch News football contest was more than a contest last week - it was a logjam.

Six people tied for first place by coming within one point of predicting Woodstock's 13-point victory over Antioch's Sequoits.

So, the tie-breaker had to be used ... the Chicago Bears' 19-0 victory over the Detroit Lions.

**THE WINNER TURNED OUT** to be Mary Furlan of Petite Lake, who picked Woodstock over Antioch by 14 and the Bears to win by 14. She will receive a \$15 savings account at the State Bank of Antioch.

Second prize, a \$10 gift certificate from Maggie & Harry's Thompson's Restaurant, will go to Tom Vander Meer, who picked Woodstock by 12 and the Bears by 9.

**THIRD PRIZE**, a \$5 gift certificate at King's Rexall Pharmacy, will become two third prizes, because Ron Vos and Julie Mowen tied. Each picked Woodstock by 12 and the Bears by 6.

Rodger Kruse and Rick Mowen each predicted a 14-point win for Woodstock, but they lost out in the tie-breaker. Rick picked the Bears by 3 and Rodger the Lions by 4.

Another contest appears in today's paper. Be sure to enter before Antioch's Friday night game at Warren.

## Sequoit frosh win 8-6 at Woodstock

The Antioch Sequoits freshman football team warded off a last-minute surge by Woodstock Friday to defeat the host Blue Streaks 8-6.

The Sequoit scoring drive was set up in the second quarter, when defensive halfback Dave Wollert intercepted a Woodstock pass and rambled 30 yards before being pushed out of bounds on the Blue Streak 40 yard line.

Following a 15-yard face-mask penalty against Woodstock, Antioch fullback Mike Kotlinski carried the ball on two successive plays for the touchdown. Kotlinski also carried for the two-point conversion.

Woodstock scored its touchdown in the third period, but a two-point conversion attempt failed.

line ... a hole big enough to drive a small car through. (Paul Maplethorpe photo.)

## Names in the NEWS

**FORT BELVOR, Va.** - James R. Berg, son of Mr. and Mrs. Robert H. Berg, 260 North Ave., Antioch, recently was appointed to the rank of warrant officer while serving with the U.S. Army facilities engineering support agency here.

Appointed by the Secretary of the Army, a warrant officer is a skilled technician who fills those positions above the enlisted level which are too specialized to utilize a broadly-trained commissioned officer.

Berg is an instructor with the agency. He entered the Army in July, 1967.

Berg attended the University of Minnesota. His wife, Elizabeth, is with him at the fort.

## VIKING SCOREBOARD

### HEAVYWEIGHTS

Although the Mundelein field was muddy on Sunday, the Viking Heavyweight offense was able to move the ball well. Antioch won 12-0.

Mundelein was stopped immediately with a fumble recovery by Ray Bergman. The Antioch offensive line then opened holes for Andy Lehn and Steve Haase, who moved the ball to the Mustangs' 20 before a penalty and good Mustang defense stalled the attempt to score.

Lehn then recovered the first of his two fumbles in the first quarter.

After a pass and two running plays, Lehn scored up the middle for a 6-0 lead.

In the second half Derek Olsen, Antioch quarterback, ran a keeper around end for 25 yards and a first down.

About mid-quarter Bill Carney recovered a fumble on the Mustang 28. Kevin Kovach ran up the middle for 13 yards. Haase ran down to the 4 yard line, and Lehn scored his second touchdown up the middle to make the score 12-0.

### LIGHTWEIGHTS

The Antioch Viking Lightweights won their first game Sunday, defeating Mundelein 7-0.

In the first quarter John Silianoff intercepted a Mundelein pass and ran it back 7 yards. The Lightweights marched to the Mundelein 1-yard line where they ran out of downs and time in the first quarter.

In the second quarter Joel Bissing and Steve Edmonds forced a fumble with Bissing recovering the ball, but no scoring was done until late in the 4th quarter.

In the final minutes of the game, Tim Cardwell intercepted a Mundelein pass and ran 15 yards for the T.D. The extra point was scored on a quarterback fake by Tom Adams.

### Antioch High's golfers begin their fall season

The Antioch High School golf teams have started their 1978 season.

The varsity has beaten Mundelein, Woodstock and Warren while losing to McHenry and Zion.

The sophomore team has won four of its first five meets, losing only to McHenry.

Bob Sertic, Tim Haviland and Dave Behne have been leading the varsity so far with averages of 38, 41 and 40 respectively.

Mark Herrald, a freshman, has been a pleasant addition to the varsity while averaging 42. Dave Nikolai, Kurt Kapischke, Mitch Laseo and Bill Strahn complete the varsity team.

Bill Witek, Brian O'Neill, Haight Howes and Ron Michalski are the sophomores leading the junior varsity team.

Dave Witek, Don Gall, Don Mentone and Tom Bailey are four freshman who participate in meets on the J.V. level.

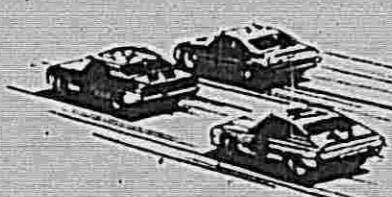

Kevin Arion, Rob Crutchfield, Bill Geier, Frank Heisselmann, Willie McAloon and Bob Schatz round out the freshman and sophomores participating on the J.V. team.

### Speedway ends season with thrillers

Waukegan Speedway's 1978 racing season came to a close last Saturday night with Danny Brown winning the final 25-lap late model feature and Larry Acuff winning the 12-lap hobby stock main event.

Frank Dowell led the first 11 laps of the late model main until Brown cut inside and jumped from third to first on lap 12 in turns one and two. Brown, who set fast time for the night, was constantly pressured by Mike Frost for the remainder of the race. Dowell was forced to the pits on lap 12 with a flat tire.

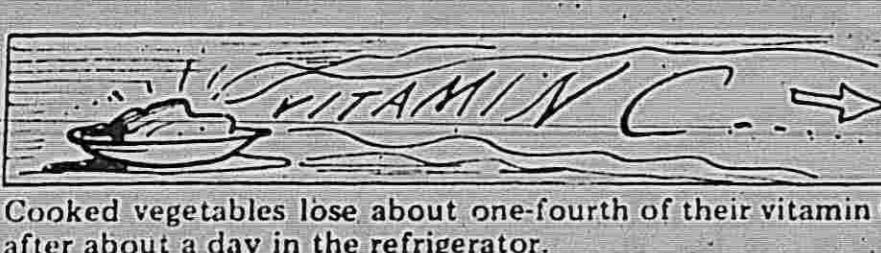

Brown was followed across the finish line by Frost, trophy dash and heat winner Bill Bain, Jim Couch and Jim Kainieberg. Acuff led the hobby main.

from start to finish. The race was red flagged on lap four when Steve Reutter rolled his Chevy in a turn, the car coming to rest on its side. He was uninjured.

Gordy Sill Jr., in Tim Cox's hobby stock, and Bill Fuesting, in Gene Bramlett's car, put on quite a show in the second annual employee's race with Sill, the track's flagman, scoring a last lap victory over Fuesting, Jim Dean and Tony LaBarbara.

The speedway will open its 1979 season in early April. The 1979 car show is tentatively scheduled for the first week in April at the Lakehurst Shopping Center.

Cooked vegetables lose about one-fourth of their vitamin C after about a day in the refrigerator.

Other players praised by coaches included Phil Aschbacher, Mike Evans, John Oelkers, Craig Sheedlo and Lester Zitkus, who ran for a total of 51 yards.

### FEATHERWEIGHTS

The Viking Buccaneers opened their season with an 18-0 win over the Viking Seahawks. The first touchdown was scored in the first quarter with a 70 yard run by Brian Becker, who gained 105 yards rushing for the day. The second score came on a short run by Dave Pinkham.

After a fumble recovery by Steve Mueller in the third quarter, the Buccaneers moved the ball downfield and Gus Maneuso scored the third T.D.

Brian Hairrell did a good job of quarterbacking. Leading the tackling game were Thad Ernstmeyer, Dave Perryman, Gene Elrod, and Matt Marshall.

SUNDAY afternoon's second Viking Featherweight game ended 7-0 in favor of the Raiders.

The touchdown was made on a sweep to the right by Eric Wallraf and the extra point was scored by Ed Poulos.

### Girls' tennis team wins its opener

Antioch High School's girls tennis team opened its season last week with a 4-1 victory over Zion-Benton.

Then, Antioch hosted Grant and lost a close 3-2 match. McHenry then slipped by the Sequoits by the same score of 3-2.

On Saturday, Cary Grove hosted a tournament with Forest View (of Arlington Heights), Mundelein, Elgin and Antioch.

Janet McMurray, playing first singles, lost her first match but went on to win her next three. One of her victories was against Terry Stewart of Mundelein who last year won the North Chicago district title. Janet is 5-2 so far this year.

Jenny Behne, a junior, won the second singles bracket by winning all four of her matches. Jenny is now 7-0 for the year and has played the most consistent tennis on the team.

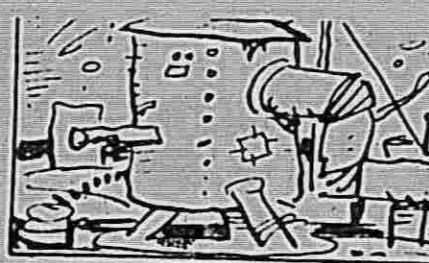

Kathy Sterbenz won two and lost two at Cary, bringing her season's record to 4-3.

The doubles teams have not won yet, but have come close. Margie Allen and Tracy Witt are freshmen playing on the varsity.

Coach Ron Halpern said he is pleased with the improvement since the beginning of the year.

"We need some experience before we will develop consistent play. The potential is there," he said.

The sophomore players, led by Darlene Olson and Renee Tell, are 2-1 so far.

The first power-model dishwasher was developed by Mrs. W. A. Cockran of Shelbyville, Indiana and completed in 1889.

## ACHS runners performing well

Antioch High's boys and girls cross-country teams scored impressive victories last Thursday at Fox River Park in Wilmot.

The boys team defeated Grayslake, McHenry, and Zion.

First to finish for Antioch was Robert Otten, who was third in the large field. Jim Eller was fourth, seven seconds behind Otten and 17 seconds behind the individual winner, Pedro Berreles of Grayslake.

ALSO FOR Antioch, Greg Bies was seventh, Matt Firestone ninth, Dave Unrein 10th and Gary Miller 11th.

For the Antioch girls team, which defeated Zion 15-47, the first six runners across the line were Carrie Corso, Gail Plechaty, Diane Otten, Martha McClure, Nancy Harland and Connie Proctor. They all beat Zion's best runner.

In the fresh-soph race Antioch edged Grayslake but lost to McHenry. Freshman Alan Ware was the individual winner for the Sequoits while Andy Dugenske was 11th and Hank Woolard 14th.

LAST SATURDAY the Sequoit varsity ran in the 19-team Wauconda Invitational, placing seventh as Marion Central won the meet.

The individual winner was Darryl May of Marion Central. Antioch's first finishers were Matt Firestone, who was 36th in the field of more than 100 runners, and Dave Unrein, 37th.

Antioch's fresh-soph team was impressive, placing fourth. Robert Otten of Antioch was fourth individually and Gary Miller ninth, both winning trophies.

ANTIOCH'S GIRLS TEAM was second in its division, only five points behind first-place Crystal Lake South. Antioch's Carrie Corso was second individually. She ran side-by-side with Wendy Sheeran of Crystal Lake South through most of the race but Wendy pulled ahead at the end.

Gail Plechaty of Antioch was eighth, Diane Otten 12th, Nancy Harland 14th and Martha McClure 17th.

### Field hockey team sees lots of action

The lone Antioch goal being scored by Beth Mueller. The afternoon began with a 1-0 loss to Maine East and finished with a 2-1 loss to highly-ranked Barrington.

The girls played against some of the better teams in the state. Their first game was a 1-0 victory against New Trier. Antioch's winning goal was scored by Barrie Kovach, assisted by Renee Petykowski and Cheryl Thamerus.

The second game was a tie with Homewood Flossmoor and then came a 2-1 loss to Schaumburg with

game is today at New Trier West followed by a Friday home game against Barrington.

Members of the varsity team are Shelley Ester, Lori Nohlechek, Cheryl Thamerus, Melaine Mohar, Michelle Hansen, Barrie Kovach, Chris Nielsen, Sharron Nelson, Jamie Vasek, Renee Petykowski, Laurie Ogden, Kathy Odssen, Beth Mueller and Kathy Ogden.

The first person on record to run a mile in under 4 minutes was Roger Bannister, who did it in 1954 in 3 minutes, 59.4 seconds.
